The Premises:

Her place was clean and nice no problems here.

The Lady:

Mia is early to mid twentys oriental, shoulder length black hair, slim well toned beautiful body, and the most sexy pert tits. not to forget the amazing legs that go all the way up. (or around)

The Story:

Well to be honest I won't go in to too much detail here, she gives a great bj the sex is amazing, the hand job will blow your mind. But to me the most important thing to me was that she was an absolute sweetheart who is very friendly. If you're in the area go and see her, you would be mad not to. BUT take this to heart, treat her like a lady, she deserves it.
