The Premises:

Very nice apartment in up market development near Earls Court. Very clean - great bathroom, although a bit of an obstacle course to get into the shower.

The Lady:

Stunning woman ... exactly as per her website pictures. (I love short bleached hair!) Great pair of tits.

The Story:

As soon as I saw Donatella on the website I was on the next train. Just my type - and I wasn't disappointed. She is one of those women who you want to spend a night on the town with - a wild woman who knows how to enjoy life and does! By her own admission she loves to party and loves to fuck ... one of the best kissers I have known (make sure you are clean shaven) and with a studded tongue too! A wonderful BBBJ - she loves her work - a true PSE - and a great laugh too! I'm not normally one for returning - but with Donatella I may break my own rule ... maybe even a night out - I am sure I would never forget it!
