The Premises:

This FR covers two visits, one to Hayleys 2 at Whitefield on 10th May and the other to Hayley?s 1 at Burnage on 12th. May.

My first visit to Hayley?s, have been put off previously by lack of positive comments and the consistent mention of massage tables. Hayley?s has now been refurbished and the massage tables have gone. At Whitefield the waiting area was very good, much like a classy club room with leather Chesterfield settees and winged armchairs. No complaints about the room which was spacious and an excellent large bed right in the middle. The room had an en-suite shower which I found a little difficult to control. The best parlour I have visited, that is until I visited Hayley?s at Burnage which I found slightly better. It has been refurbished in the same theme as Whitefield with the waiting area being that little bit larger. The rooms were on a par with Whitefield. Well done Hayley?s! Both receptionists, Donna and Elaine were very good, friendly and welcoming.

The Lady:

Well what can I say about Patrice, it?s all been said before. Considered a mature lady, but looks much younger. Best of both worlds really, the experience of the older woman with the looks of a younger one. Superb figure, very fit and easy on the eye, gives excellent service and if anything improves with age. Facially very good looking and a wonderful speaking voice, very sexy!

The Story:

Whenever Patrice enters the room I always feel an air of excitement, yet always feel immediately at ease. She has this knack of making you feel immediately at ease and as if you?d known her all your life. After a nice little chat it?s on with some super GFE, the only thing is it?s not an experience, such is Patrice?s commitment to the client she?s really your girlfriend for the time we?re together. You have to keep your feet firmly on the ground otherwise you could easily fall for her. Everything she does is top class, the ?wicked? eye-contact during oral is a vision that will live with me forever.

She rides cowgirl pretty good, oh that hip movement!! She likes it ?doggie? as well. She?s genuinely responsive to reverse oral. Her performance in all aspects of sex are excellent, but it?s her GFE that really gets me.

I?m very impressed with my first visit to Hayley?s (both of them), and no doubt will be returning many times, the only limitation being the bank balance.
