The Premises:

Very friendly staff. Safe place.

Waiting room and bedroom room were clean.

The Lady:

Indian, curly waist length hair, full figure but not too full, shortish, 5'2", nice large sized chest, wore sexy underwear and high heels. Very beautiful face with a stunning mouth and sensual lips.

The Story:

After kissing and cuddling whilst undressing each other Nisha proceeded to provide an aromatherapy massage which was very relaxing before she turned me over and started to perform an erotic massage all over.

My cock was by now very long and very hard and I put it directly into her mouth without a condom.

She really likes to suck cocks and she does it with a lot of sensuality. When we laid down on the bed, while she was still sucking my cock, I started to lick her pussy which is not completely shaven and she was already very wet.

The sex was great - OWO, doggy, her on top PLUS lots of mutual masturbation, kissing etc. Nisha really loves sex, having loud orgasms during sex reinforces the pleasure.

What was best for me is that she is SO easy to talk to. Lying beside her, playing with her nipples (superb) and pussy and chatting was a great way to relax. She is very very friendly at puts you at ease straight away.

Excellent. highly recommended. You'll want to stay longer. She is a good tease too.

For the price exelent punt, will go back regularly.
