The Premises:

Well indian palace have moved back to a new basement flat close to their old location near baker st tube. Apartment similar to old one, nice and clean, and metered parking opposite which is useful :)

The Lady:

Sara is apparently 21 and studying for a sociology degree. Sara's pictures on the site do not do her justice. She has a fantastic body, lovely nipples which stand to attention and a cute face. Very fair skinned. Nice belly ring and a shaved pussy. Very easy to talk too and puts you at ease. I just could not stop playing with her tits.

The Story:

Had the come twice service. Started with a pleasant massage then a resonable blowjob culminating with sex on top. Its a shame she doesnt kiss. Then another massage and sex in missionary and finishing with her on top although I didnt come the second time...my fault not hers. She was a bit sore, had been a busy day! Overall a good punt.
