The Premises:

Tiny but adequate. Shower. Double bed. Nice block in nice area and very discreet.

BTW. Post on here as the Pontiff so have been around a bit!!

The Lady:

AS pics on website. Slimmer than I expected, but no complaints. Charming and beautifully spoken. Nicely dressed. Polite and lovely.

The Story:

She is lovely and exactly as advertised on website but is, I feel, inexperienced in the business. Some of the more experienced WGs I have visited know when and when not to take the initiative, where and when to start and so on. She is a delight: clothes, hair, make up, conversation and so on but needs more thought about her approach. This was a pricey one for me and half way through I bottled out. Paid in full but felt uncomfortable. I have no idea what the training is for WGs (who does it?) but she needs to be trained (or learn) a bit in a mixture of aggression, submission and play (give and take basically)
