The Premises:

A very smart new apartment near the west end. Spacious, clean and above all, very discreet.

The Lady:

Lady Marmalade was hosting. A delightful Indian lady, very welcoming and very sexy. The theme was Ebony and that was what all the ladies were. Michaela a petite, slim and charming lady. Richianna, slim, athletic and totally gorgeous. Julianna, 18-year-old at her first party curvy in all the right places, very busty and a bundle of fun.

The Story:

At last a party to enjoy. There seems to be a plethora of production line parties sprouting up all over London. This was different, a relaxed no rushed atmosphere. All my dealings before hand were with Moss, a most friendly and polite man who answered my questions and took my booking in a most efficient manner. Thank you. The party itself was a cut above. Hygiene was paramount to the ladies, which was reassuring. All the guests were showered and robed soon after arriving. No problems with the shower, which I'd read about previously, a veritable torrent gushed out. All wipes and condoms were provided and readily to hand. Went along because the theme was Ebony and I was in seventh heaven. Michaela and Julianna were 45 minutes late due to the late running of trains but this was not a problem. Because of the low ratio that Lady Marmalade insists upon she was able to step into the breach and everyone was kept happy. Indeed it was a real pleasure to witness the verve and gusto with which she joined in. I do believe she would rather party than host. The lost sheep turned up and were soon into the action. What went on is between the guests and the ladies but suffice to say, no one was left wanting or left out. The highlight for me was the impromptu lap dance that Richianna and Michaela put on whilst we were lounging and chatting while we girded our loins for the final round. By far the most sexy and erotic lap dance I have witnessed. With stimulation like this it was not long before the guests we tempted back to the play rooms. Sadly for me, unlike Michaela and Julianna, my train was running on time so it was with heavy heart that I bid farewell to the ladies and wound my weary (but totally satisfied) way home.

The ladies were gorgeous, my fellow guests were friendly and fun and the whole evening was stupendous. Look forward to the next Ebony evening, but know I will be back before then. Have suffered other parties but these are but a cheap cotton compared to the luxurious silk on offer at Lady Marmalades...know which I prefer.

Thanks to all who helped give me an evening to remember.
