First ever visit to the Bury site, much nicer and bigger than the Swinton one. Very clean, very tidy and more importantly it felt very safe and welcoming.(Thanks to Monica)

The Lady:

Classy,tall, slim, pretty looking blonde, very sexy.

The Story:

2 girls were free Brandi and Melissa, I chose the latter, but will acquaint myself with Brandi at a later date.

Melissa came in to the room as I finished drying myself, and gave me a beautiful smile. Melissa was dressed in a skimpy pink outfit. (you are sometimes dissatisfied when you choose a girl from a blurred picture on a website, but those pics do not do this girl justice.)

Onto the bed for the preliminary massage, I knew as soon as I felt her soft but firm touch wander from my back and tickle my balls this was gonna be a good punt.

Melissa turned me over and gave me a frontal massage with soft kisses before wanking my now hard cock. Melissa stripped and put the condom on me and proceeded to swallow the full length of me, what a turn on to see such a beautiful woman performing oral with such gusto. Had to bring the oral to an end before it was over too quickly. Melissa asked me were I wanted her (so many dont these days)I asked her to lie on her back so i could return the favour and taste her sweet juices, now when you've seen one pussy you've seen em all, not in this case, Melissa has beautiful formed lovehole and I lapped her juices up for about 10 minutes before bringing her to an orgasm with her vocal encouragement. At my request Melissa hopped on for a bit of cowgirl with wonderful eye contact, which to be fair gave me the only downside, which was that it was over far too quickly as my excitement got the better of me.

Lots of kisses and cuddles and a chat before it was time for me to depart, I'd overan slightly but unlike some places there was no loud knocking on the door, to spoil the fantasy of a wonderful GFE.

Thank you Melissa for a wonderfultime.
