The Story:

this party was a really good one its nice when loads of men attend and such a variety of cocks and likes they certainly love coming over mine and pouring wine nd beer on them and my clit. I had several men in me on me both pussy and anal. and I think a good time was had by all one guy washed me in the shower and we had shower sex too
so if you guys like to play come to tese parties you are guaranteed a great time, and drinks and biccies too!!
