The Premises:

The area was very easy to find, and once inside it was tidy and presentable, with lots of sexy outfits hung up in the room.

The Lady:

Rox is a very attractive woman. She is slim with an amazing ass, very sexy body - always reminds me of Kylie Minogue, well the closest thing i'd ever get anyway!!

The Story:

I've seen Rox a few times now, and it gets better every time. When she finds out what you like, she really goes to town.

I'm a big oral fan, so after a quick rub, rox teased my balls before sucking my dick deep into her mouth. After a several minutes i asked her to tease my butt hole with her finger while she conitued to blow me (my true fetish!). Rox was more than happy to oblige, and also moved around so i could return the favour. With my finger deep in her ass i was unable to hold on any more and cum in roxannes mouth.

This was pure heaven for me, truly one of my best punts to date.

Rox is a lovely girl who is more than happy to help u achive your wildest dreams.
