The Premises:

Ok place off oxford circus, in the marylebone area. Nothing spectacular...

The Lady:

It's the one from the pics BUT, the pics look much better than the original. A couple of scars (appendix) and the tits are not that perk anymore. I suspect she's older than the website says, around 28/30 I'd say

The Story:

Well, called the agency for a different girl but Olga was my obvious second choice. She looks good, but not as good as the pics would have you think. She speaks very little english. We had two sessions and in between the sessions her mobile went off all the time. During the sessions she did not seem to care about that.

She is quite accomodating, if a bit too quick. I wanted to flirt a bit before going to business... Lots of kissing. She did OWO, intercourse in any position I cared for and CIM at the end of round 1. The whole thing lasted 1 hour as she had another appointment straight afterwards.

Not a bad deal as she is still relatively good looking and quite open sexually. I personally prefer 18 yo sluts so I won't go back...
