The Premises:

A nice flat in a well known part of town, very easy to find and get to. The flat was a bit small - but how much room do you need?

The Lady:

She is a looker, great body, all the bits in all the right places - she looks just like she does in her photos. She has a lovely smile, lovely eyes and a very easy going manner - she puts you right at ease.

The Story:

After a warm welcoming kiss, she opened up a bottle of wine to make the afternoon flow, quickly suggesting we make ourselves more comfortable - and naked - on the bed. After a lovely passionate kiss and getting hold of her lovely tanned and toned body, she moved down to some OWO - great technique! Got my sap rising so I suggested she climb aboard. Her bouncing up and down on me was fantastic, so I got her to lay on her back, while I fucked her hard, her legs around my ears. That did the job!

The next few minutes were spent chatting and finishing off the wine, before Amy stroked, kissed and sucked me back to action. She slipped on a condom and I got to fuck her from (a very gorgeous) behind, which she really does like.

All in all, a great time with a very sexy girl.
