### The Story:

Have been looking at this girls website for some time now and have had a permanent hardon since first finding it. Worse luck for me I have been away every time Trisha has come over to Dublin, so had no choice either let my testicals explode or go over to Leeds to see her, and all I can say is that is was the best thing I have ever done.

Booked in to hotel in Leeds city for the night and had Trisha join me for dinner, when she turned up dressed in black pants and jacket looking a million dollars and greeted me with a deep French kiss like a long lost lover I know I had made the right decision on going to Leeds, after a lovely dinner where the conversation flowed we adjurned to the bed room.

Trisha and I started to undress and when I saw that sexy pink lingerie, I had to have her I could nat wait any longer I grabed hold of her like my life depended on it and get her on the bed and we kissed and kissed and played with each other for a while untill Trisha told me lie on my back and let her take goog care of me, and did she ever what followed was the most amazing night of my life sex in every poaition I had ever heard of or seen and then a few more. her OWO is without doubt the best in the world, and her toys what can I say about the toys and where she put them, just writing this makes me think of her Bullet(oh baby)

Cant wait till Trisha is in Dublin again, I dont care what plans I have I will be seeing her.

Trisha thanks again for the best night of my life, hope we do it again reel soon, hopfully in Dublin,

you showed me paradise in Leeds I will try and return the pleasure in Dublin.

Trisha is a master at Dirty talk,I reckon she could give a man in a coma a hardon with her sluty talk(oh how I loved it)
