The Premises:

WFB2 Bury. Brilliant premises. A converted pub. Three huge and airy bedrooms and a giant bathroom upstairs, each with a shower. L-shaped lounge with bar, TV and comfy sofas downstairs. A very pleasant physical environment. Free drinks and sandwiches.

Entrance is at the rear of the building, not via the door facing the main road. Discreet parking at the side accessed via a cobbled street at the rear. Cars protected from view from the main road by a high wall. Alternatively a 10-minute walk from Bury tram and bus station via shopping centre and/or pedestrian precinct.

The Lady:

White, French-speaking girl. Early 20's. Dyed blond hair. Lovely legs, slim body and great D breasts. Small tattoo on right shoulder. The photos on the web site are accurate.

The Story:

I booked Celine in advance on the strength of the rather gorgeous photos of her body on the web site (Face blurred.) And when I arrived, it was she who opened the door to me.

Celine, Susan the receptionist and I chatted while I had a quick drink at the bar then Celine showed me to the room. She came back again as I was stepping out of the shower. Once I had dried off she gave me a good back massage using her hands then, after I turned over, she continued by using her large breasts. Great!

We cuddled for a while and the kissing was somewhat deeper than on the lips, but not quite French - no meeting of tongues. A French girl who doesn't French kiss! Ho ho.

She responded well when I licked and sucked her nipples and fingered her pussy as she was leaning over me. And she made appreciative noises as I brought her to orgasm through reverse O. Covered O and standard sex were also on the menu.

Celine is a really nice girl - very pleasant company. I enjoyed our conversations and, after we had

finished our sexual activities, she clung on to me lying together on the bed for what seemed like ages. Indeed I was the one who had to remind her it was time to finish. (A gentle tap did come against the door, just as I had finished dressing.) This was a very good GFE. Treat Celine nicely and she responds not just with good sex but also with great affection. Highly recommended.

As are the coffee and sandwiches at the bar afterwards, the friendly receptionist Susan, plus the fact that you get a chance to relax downstairs before heading off again. A great parlour.
