### The Premises:

Her place, as always clean and welcoming. It is a very safe area and easy to park and in the several times I have been there I felt safe.

### The Lady:

Very attractive, immaculately turned out, (I left it to her to choose)

She has a wonderful figure, legs to die for, and they go all the way up!! She does have the most wonderful selection of underwear, as some of her photographs will show. She could also be called the "Imelda Marcos" of Buckinghamshire with shoes to match every outfit (dress or underwear.)

### The Story:

I have been visiting Mrs R. for over two years now off and on. She is a wonderful person to be with (having taken her out to dinner once).

She relaxes you from the first moment you meet her, she can read any mind and can always hold a conversation, be it music or her speciality SEX! We usually have a glass or two before retiring to somewhere more comfortable for beautiful gentle lovemaking. She could also kiss for England. Her 34c's are just perfect and very responsive. 'O' both ways what, more can I say, Thank you again Morgan

There was one real "COOKIE" review of Mrs R. "cookie is the right name!!
