The Story:

Not normally inclined to contribute to these pages ,but just had to give this lady another mention. Amanda has looked after me on a few occasions now,... and she really knows how to make a man feel special.

From her hairdo to her toenails this girl is just plain fit, with two f's. Amanda obviously takes very good care of herself.

After being put at ease by her easy intelligent chat and down to earth wit, a generous helping of Amandas natural responsive warmth, mingled with her deliciously tantalizing sensuality, has left me in an ecstatic daze every time.....Have to be carefull driving home, this feeling tends to linger.
