The Premises:

This is a well known place so I won't say much about it.

The Lady:

Sexy, beautiful skin and firm yet tender breasts.

Petite, perfect size breasts, slim. Gorgeous.

The Story:

A warm welcome by a lovely smiling face. This lady led me to the room; she was coordinating behind the scenes, thanks very much. (I hope your leg gets better soon).

Leanne came in. Wow. She is so sexy.

Being shy, Leanne got me relaxed very quickly. She has a lovely personality and is a lot of fun.

The shower was amazing. Could have stayed in there for ages.

Then back to the room. The massage was brilliant.

I hate oral with a condom but somehow Leanne carried it off incredibly well.

She got me so hot I surprised myself.

The main course was so good I'm still weak at the knees.

Leanne is wicked (with a London accent). She is a very sensual lady.

I could have put her over my back and carried her off with me.

One of the nicest things is she did not rush me out of there. I really appreciated that.

Met Debbie briefly. What a lovely lady.

Aah. All good things come to an end. I shall be back again.

Ciao
