The Lady:

As per photos - Estonian, medium build, smallish breasts, good body, long dark blonde hair. In fact, bearing a striking resemblance to Michelle.... hmmmnnnn

The Story:

Ok, I have no problems with the punt per se - everything went well and she gave a great performance. My problem is with how the girl was presented. 'Melissa' appeared on Affair Girls (and the day before as 'Maya' on City Butterflies) today and was touted as 'new'. New my left testicle! This is (the admittedly thoroughly excellent) Michelle and interestingly, Michelle's details have only just been removed this evening - 'Melissa' is still described as being on her first day. I'm all for a girl and her agency bragging about great new pics, but I don't like being taken for a mug.

Is she worth a visit? Yes... I'd say go and see her. But after this, I won't be back to the girl or the agency.
