### The Premises:

Very nice flat in Sussex Gardens in Bayswater. Parked next to a white Ferrari 360 Modena, feeling envious that my Cayenne was somewhat overshadowed by a supercar.

### The Lady:

Tall blonde EE girl. Full figured rather than a waif. Close up her features are quite rough and masculine, and she has a strong chin which is a bit offputting. Could also do with a visit to the dentist. Not a stunner. 7/10.

### The Story:

Fairly average punt. Went 2 rounds and could've gone 3 if allowed but wasn't. To keep it short, bbj was on offer but not sure whether its available to completion as it wasn't something which i was up for tonight.

Shagged in a couple of positions before cumming in the condom with her on top. More oral to get me going again, and shagged her in mish for a while before swapping to doggy and eventually came.

Also saw Tina from the same agency in this block the following day(another EE) but wont bother writing a seperate report on her.

Very similar punt and probably should've just settled for 2 60 quid parlour shags.

Wont 'not recommend' as doesn't quite justify a negative report in my eyes but wouldn't return.
