The Premises:

Been a couple times before, clean with shower in room, great porn in room, above engineering works but no bother.

The Lady:

Christy is gorgeous reddish hair and great big boobs a full handfull and more, Lee is blonde (very tall) prob 5'8" blonde and big tits too! Both about 30ish, but I'm tellin ya the exprience shows!

The Story:

Well I've seen Christy before and she was as great as ever, they had a special on so went for a double, had to wait 10mins but watched the porn. Lee is a big girl like Christy very big boobs and blonde which is a bonus !! All I can say is fantastic! Two women on your balls and the blow job from lee was outta this world, her tongue has a mind of it's own. I fucked both of them, didn't think I would manage it but they assured me I could have them both and made sure I didn't cum too quick, will be in every wk now and although they were busy it was worth the wait.
