The Story:

I have visited Pia four times now, twice when she had a place in Milton Keynes, once at her new flat in Bedford and once at home.

Pia is in her early thirties, has a slim waist, curvy hips and a peachy bum. Her new flat in Bedford, which she rents exclusively for escorting, is a classy pad. But the best thing about Pia is her attitude. She loves to please. She opens the door with a welcoming smile, soon we are kissing and cuddling, unbuttoning, unzipping, exploring, touching with increasing urgency. Pia is kind, patient understanding - warm. She enjoys giving pleasure. Oral sex is among her specialities. Feeling and watching your manhood disappear between her full lips - is exquisite. And all the while she looks at you with her big, blue sexy eyes. Unforgettable.

Sack your therapist and book an hour with Pia - it will do you more good. Give up your gym membership (you never use it anyway!) you'll get a better work out with Pia.

An experience for the connoisseur.
