The Premises:

Front and rear entrance are not easy to find, but very helpful receptionist talks you through the directions. Secluded parking at rear (if you can find it!!). Perfectly Safe.

Inside place was well kept. Lovely high bouncy bed. Shame about the shower being in a different room.

The Lady:

Short dark hair, about 5 foot 6". Lovely body with all the right curves... superb nipples. Great personality.

The Story:

Amber is simply great. A wonderfully memorable GFE. Felt at home straight away. Although she is new to the game Amber knows all the right moves. Well worth the money.

I'm writing this FR because I promised her I would, but personally I'd rather keep her all for myself.

See you again soon babe.
