The Story:

If you like tall blondes Melissa is the girl for you. I picked Melissa because at the time she was the only lady available and I was not disappointed She was really nice to talk to also give a short but good massage. Went on to oral with did'nt ask for any extra's just went with the follow. Full sex in a couple of positions which lasted some time. I was having a good day and was lucky I could stand the pace of a long session.

If GFE is your thing then you will find that Melissa will accommodate you well in this area.
