The Premises:

Very nice flat, close to Earl's Court tube station. Calm street, quiet building. She actually lives there. Very clean bathroom, great shower (especially for the hot days)

The Lady:

As pretty as in the pictures, maybe two or three years older (mid- rather than early-twenties). Really beautiful woman. She said she's Polish, but is perfectly fluent in English.

Very cute face, great smile, perfect teeth. Sun-tanned (she says she travels a lot). Small belly, but nothing noticeable (I only noticed it at the end). Not petite (~5'9), and athletic. She does not show her breasts in the pics so I thought there might be a problem, but no - they're great (medium size)

The Story:

Called Max Angels (Diane is on aprov.com too), but there wasn't anybody in the office. To my surprise and terror, they called me next day - luckily there wasn't anybody but me at home!

When Diane opened the door, I was happy and relieved. She's very pretty and well-groomed. Very friendly and professional, made me feel at home. Offered me a drink, then talked about herself. Always with a big and pretty smile on her face.

I had a shower and went to her bedroom. She's wild, not a sweet girlfriend. In one minute she had her tongue in my mouth, in two minutes she had my penis in her mouth (OWO). She likes to receive oral. Cowgirl, mish, doggy - you don't need to ask, she will offer it.

I wasn't on a good day (it was too hot), but I imagine that if you're in the mood, you will leave her flat with the legs shaking. One round with her is not enough.

So if you want a GFE, she may not be the choice. But for real action with a beautiful and relaxed girl, I recommend her. Can't think of anything negative about her. Maybe the bedroom is too small for a double bed, but who cares? The flat really does the job, and she's great.
