The Premises:

As previously described - functional !! (noisy/squeaky bed though)

The Lady:

Late teens/20?, tanned/toned, size 'b' breasts, size 8 dress size - very attractive.

The Story:

Thought I'd try Kandy's after a disappointing visit to another girl there - well pleased I did !!!!

Paid ?50 for standard service, but an extra ?20 for reverse massage and kissing.

Started off with a nice relaxing massage back and front, before sprinkling talc on Angel's back and gently massaging her. She turned over and I did her front, paying special attention to her breasts.

Then onto oral (with), before she slowly kissed me whilst she wanked me. To be honest, whilst sex is enjoyable and all that, I find it difficult to get too much pleasure from just straight sex, preferring a little more intimacy that I think kissing gives (contrived/false as it may be??). I didn't fancy sex on this occasion, but will probably give it a go next time.

All in all, I'd have to say it was my best experience in a parlour, which is no small statement !!!!

(20/30 previous visits to various establishments).

Angel is fit, attractive, easy to get on with, cute and - as sexy as hell !!!!

Will I return? I'm counting the days !!!!!
