The Story:

This is not my first report on this incredible lady. I may well be overdoing things but the day I had gone through (sheer HELL) Kirsty needs another mention.

Arranged to meet at her place nice and safe and very very clean. Greeted with a glass of wine, followed by some really relaxing chat untill she pounced on me.

As usual no details but if you visit Kirsty you will have a smile for a week at least, she enjoys herself to the full and even commented how good I was at my special touch.

Kirsty you are wonderful thank you again maybe we can do dinner sometimes) and folks treat this one of akind lady in the best way possible.
