The Premises:

Very clean and discrete. Nice area which felt safe and almost sleepy!

The Lady:

Incredibly slim, very pretty with a gorgeous all over tan. Very soft peachy skin. Smelt beautiful. Very very clean girl. Pictures do not do this lady justice - she is hot hot hot!

The Story:

I was a very nervous punter and explained all my particular quirks to Trinity who listened carefully and took them on board. I was made to feel very welcome by both herself and her helper Sue - so welcome in fact I could almost have forgotten why I was there, until I took one look at Trinity.

The session itself was a schoolgirl fantasy with Trinity in character. If you were looking for the perfect experience I don't believe that it could come closer than an hour spent with Trinity. This was a return to punting for me after a 10 year break and without a doubt this was the best punting experience I have ever had full stop.

I won't go into the details too much but suffice to say I was able to enjoy everything I wanted and there was plenty left to try next time. Yes Trinity, contrary to what you believe I will be back...
