The Story:

My 1st visit to this establishment with several ladies to choose from, opted for Beth as she seemed naturally friendly. Went for what they call an exec massage which includes a shared spa bath. After what was the best massage I have had in a parlor we popped into the bath for some more massage and Beth gently massaged away the oil very pleasant indeed and the old todger was soon wanting to join in the action so after a while we moved to the double bed where I enjoy giving her juicy pussy a good licking which she appeared to enjoy as she got extremely wet. Then Beth smoothly swapped places and indulged the old todger with some fantastic oral just teasing me and bringing me close to the edge before bending over for some doggy style shagging.....god this woman loves her work.

Some time left of the hour so Beth massaged me some more before a final shower.

She is a really pretty bbw well worth ?120 of any guys dosh who really enjoys her work and knows exactly how to give pleasure to a man,
