The Premises:

Victoria House -well reported, clean, functional if a little wierd sitting next to another punter waiting. The rooms have been done up nicely since I was last there.

The Lady:

Late 30's/early 40s - slim size 8, blonde, well preserved with really big nipples that respond nicely! Pretty face and eyes.

The Story:

I was in an odd mood today and didn't know why - so I took a trip up to V.H. Left feeling on top of the world. A lovely VH experience with oil massage, pleasant chat, good O, multiple positions, verbal encouragement and finally popped. I wonder if she works independently at all - would love to spend longer with her. Excellent.
