### The Premises:

nice place clean and big room parking a bit awkward if car park full and i had difficulty leaving as someone from the pub in front had parked me in. felt a bit uneasy bout havin to go into pub and ask for the owner of the car to allow me to leave.

### The Lady:

have read about chelsea and thought i'd give it a go. chelsea is a platinum blonde with big tits (implants) a lot older looking than i expected (definatly not the 40yr old put out more 55)good body for her age though and sexy attire.

### The Story:

chelsea was chatty and made efforts to put me at ease,it was purely superficial and it made me feel a bit uncomfortable. She was willing to do OWO for an extra ?25 i duly paid. The OWO was mediocre and after cumin she then started to jerk me off rather to harshly, unfortunately "willy" wasnt ready to perform right away and she was obviously impatient which led to to me becoming tense. we agreed it wasnt happening i showered while chelsea chatted and chatted and chatted.....not the punt i expected.
