The Premises:

Small flat. Clean, tidy, discreet, on the edge of Horsham. Just right for the job. Easy parking outside. No problems or worries.

The Lady:

Curvy BBW. Dark hair, big boobs with nice chewy nipples, about 5ft 2in. Broad across the middle, but what do you expect with a BBW?! Very pretty face and a wonderfully soft and smooth tongue.

The Story:

Was slightly put off by the fact that Penny's only two Punternet reports are almost word-for-word identical, although submitted by different punters. Strange, but check them out if you don't believe me! Was in the area, so thought I'd give it a go. No problem at all: she is lovely. She is definitely into snogging big time, so started with this before moving onto some gentle cock licking and sucking, ending shortly thereafter with a satisfactory deposit across her expansive boobs. Penny does OWO but not CIM, but no worries there, as I always enjoy seeing the fruits of the lady's labours. Decided to go for the tie-and-tease option for round two, which was great fun, relaxing and stimulating at the same time. Ended with, I think, an expert oily hand and boob job, but don't know for certain because of the blindfold! Felt good, anyway. Probably finished a little before time which was a bit disappointing, but only because I like having my cock sucked!! Definitely recommended for anyone not put off by a larger lady, although Penny is so warm and friendly, you hardly notice her size.
