The Premises:

Nice enough flat in the West end of Glasgow. Felt safe enough.

The Lady:

Lisa was better than what I was expecting. She is mid-30s with jet black hair and good figure. Nice tits with lovely big hard nipples.

The Story:

Lisa was having some dental treatment done and so could not perform any oral/kissing etc hence the price was dropped to ?25.

She made me feel at ease and we chatted for a while. She told me her sister had been up from London the week before and that I had missed their double-act. That certainly fired the imagination!

We had sex in various different positions - cowgirl, doggy and to finish - mish. As per usual, I was getting to excited and wanting to cum too quickly. Lisa told me to take my time which was a nice touch. It was a nice enjoyable session which ended too quickly for my liking - but that was my fault rather than Lisa's!
