The Premises:

A flat above some shops, entry at the rear. Some people about but by no means exposed. Clean inside.

The Lady:

Zoe is a 5'5" blonde girl of about 22. She is fit and toned with a nice pert body and good tan. She's English. Great arse.

The Story:

Attracted by the (fit) maid's description of Zoe as being 'very slutty' and offering deep-throat OWO, I was pleased that there was no wait to see her. Usually this place is quite busy.

Zoe is friendly and welcoming, she put me at ease and soon she was oiling me down and rubbing her tits across my back. A decent massage for once. The OWO was way too toothy and became quite painful, nevertheless I suffered it because she soon took my length in her cakehole and held it there for several seconds. Eventually Zoe came back up gasping and composing herself, this was very sexy, saliva running down my shaft. The deep-throating continued a couple more times before she got the condom on me.

Zoe climbed on for some reverse cowgirl, her arse was gorgeous in this position, then we changed to doggy. She lubed up some more halfway through, politely excusing herself to do so, and we continued until I shot my load. A good punt once she took her teeth off my bell-end.

Despite not kissing (a real shame), Zoe provides a good service and is friendly, yet businesslike, a pleasant girl.
