### The Premises:

Flat in good, safe location in West End. Flat itself is grim. Dirty, very dark, not a place you'd want to spend a lot of time in!

### The Lady:

Lisa is in her late 30's (a guess), black hair fairly tall, ok enough body, rounded rather than skinny or fat, like the flat's maid she's rather 'hard faced'.

### The Story:

The sex is of the production-line variety. un-satisfying, hurried, about as much fun as pumping a wet-sponge. The dire surroundings don't help matters.

It is certainly a cheap punt, but good value?? Never.
