### The Premises:

Here Place, very clean and safe. Lots of parking in the surrounding area and quite private so nobody watching you come and go.

### The Lady:

Trisha is a beautiful lass who's pictures do not do her Justice. If you like what you see and read on the web site then you will be made-up when you go to see Trisha.

### The Story:

When I first went to see Trisha I was nervous to say the least, I had not done anything like this before but after coming across the website one late night I couldn't resist temptation! I've never looked back since!! Trisha put me at ease as soon as I walked through the door with a long sensual kiss and VERY friendly conversation and flirting.

We moved onto the bed before kissing some more and then moved onto the best time I have had in a LONG wile. Trisha is a master at what she does and she is a fantastic person to boot!! I cant recommend her enough and her eyes are to die for!!

If your after a full personal service (see the website) and a fantastic lass who will make everything feel natural and doesn't rush then don't wast any more time reading this review, get on the phone and book your self in!

I have seen Trisha twice now and I intend to see her many times more!! A fantastic kisser and the all the rest!! May even try a duo next!!
