The Premises:

The neighbourhood and surroundings were idyllic. Situated in the country, meant that a calming atmosphere was generated before i even got there. The house was clean, neat and tidy. Beautifully decorated and tastefully maintained.

The Lady:

Gorgeous !!! 5ft 6 tall , shoulder length blond hair, very busty , eye candy !! x

The Story:

Booked via Judys having seen Danni a while ago. She was dressed as per request, and suffice to day , considering it was a blistering hot morning, my choice of Danni dressed in a bikini seemed appropriate. She opened the door wearing it , and a wrap around her waist. Her ample bosom filling the cups of her bikini top well.

We chatted for a little while, and in the bedroom, she further excelled.

Another great experience with a really sexy lady.

Treat her well and with respect gents, she is a diamond !!!

Treat her well and the rewards will follow !! xxx
