### The Premises:

As per previous field reports, clean tidy penthouse near Xscape in MK. Safe underground parking.

### The Lady:

Mid 20s, very pretty brunette, slim, perfect sized breasts, looks exactly as she does in her pics.

### The Story:

Booked for 7pm but she was running late so had to wait about 15 mins. Not a problem as I still got an hour. Started with lots of kissing and cuddling which I like a lot. Moved on to oral (covered) and sex in various positions.

My only concern is that because the apartment is shared with another girl, you do hear other punters coming and going which is slightly off putting. Other than that, probably one of my best punts. I'll be going back as soon as possible!
