The Story:

App. arranged at the last time late in the night, great, a ?bravo? to the Agency. This is the not the first time I see Inna, the first was fantastic with her partner Helena, the second has been good but this one, well, not special. Inna is a fantastic girl with a great, model type body, her English could be better, but I?m learning Russian so no problem. We had everything as usual and she was really enthusiastic at the beginning, her oral is quite good and her pussy tastes quite good, everything was great, I was pumping her quite well when she started to complain because... I?m ?too big?, well, thanks a lot but that's not quite true. I had to stop sex and she finished me by mouth this time no CIM. It was good, but the magic was gone. She has been good but now it's time to move on?
