As before

The Story:

I have visited Mistress Kali several times since the last report and just wanted to add that I have had the most mind-blowing experiences with Her in Her Temple.... including watersports, bondage, hot wax and ice,... pleasure and pain.....being blindfolded seems to accentuate the intensity of the experience. She is very classy and knows what She is doing, almost to the point of telepathy!! I am even having dreams of Her. Wish I could be Her permanent house-slave. If you are sub, She is a must!
