The Lady:

I had not been to babes for a while but the photo's of melissa's smile and the fact she is nearly 6' tall persuaded me that my first trip to bury was in order.

Melissa is absolutely gorgeous if you like tall slim blondes with a cute little bum.

The Story:

I had a great time. Melissa is talkative, gave a great oral (covered but that didn't make any difference, it was still great), and if she didn't enjoy herself she is very good at letting you believe that she does.

I think she is a great find for babes and i hope she will stay gainfully employed in this industry for a while so that i and several others can enjoy themselves with her.
