A flat on a small side street near baker street. Felt safe. The flat was on the top floor and on two levels. Basic room and basic shower but ok.

The Lady:

Stella's picture is on the web, to be honest i was a little dissapointed when i first saw her. Shes heavier and taller than i expected, her face a little plain if not stern, but shes got ace boobs!

The Story:

This was, for me, an odd experience. At first on seeing her, I was a bit reluctant but then thought what the hell. Stella is Lithuanian who can also speak russian....so our communication was limited. We started with a massage which progressed to some kissing (very very good). She then started on the owo, after a while I returned the favour...she was very wet. I then moved up the bed and straddled her chest, she started to suck me...it was fantastic and the inevitable happened and she got a mouthful. She seemed shocked and quickly jumped up and spat and wiped her face vigorously...as if a little annoyed. I apologised but she reassured me it was ok. We then lay in silence, I tried chatting to her but she had a stern face, I thought 'maybe I should leave'. But I kissed her instead, she responded favourably, so i massaged her and intermitently we kissed, I then moved down and continued the 'o' on her, she really got into it, and after about 5 mins came hard. I had a stonking 'hard on' by then and put the cover on, she let down her hair and lay back and pulled me in. Some exceelent mish followed, lots of kissing, groaning, which resulted in me shooting hard. She kept me inside her for a while then I with drew. After that we tried chatting again. She showed me some photos of her time in London and Lithuania. She was really sweet. I started to feel very guilty and a bit sad, she's all the way from Lithuania, I began to wonder what she thought. I know she must rake in the money...but who gets it? is she happy?

I think round three could have been an option, but I decided to leave. Stella is a very sweet girl and I am sure she's really nice, she's not my ideal type and i think we suffered from the lack of communication, but if you visit her and treat her well and she will reward you. Iam not sure Id visit Stella again Iam beginning to really doubt this game. Satisfaction of lust isn't enough anymore.
