The Premises:

reasonable flat in great portland street. Area is not the best but still safe enough.

The Lady:

Bit fatter than in the photos, probably been touched up. Breasts appear not to be as large. Apart from that fairly attractive girl but I would not say the ?180 mark more ?150

The Story:

Went there as the CIM service was on offer. Must say that apart from the dissapointmentr with her looks her service was superb.

Got into the flat was offered a drink (why bother with this is it just to waste time?) passed on that, had a shower and on to the business in hand. She undressed and onto the bed bit of light kissing no tougnes nd then onto the oral, Jesus I almost shot my load within the first 5secs. after about 15mins of playing with the man meat a bit of mish sex (average) and back to oral, shot the load in her mouth and she swallowed the lot. cheeky smile and asked if I could manage that again - I knew this as a ploy as there was only 10mins left on the clock - so refused and bugged out.

all in all a good punt
