yes

The Lady:

as per the website

The Story:

very little english, even words like hard and soft, hard or gentle were an effort
excellent bbbj and cim, albeit with a dash to the sink

sex was very disappointing though, so stuck with the bj
Also her ass was way too soft and flabby, not what I was expecting from her gallery

be careful with the shower, got locked in, the spindle was missing from the door handle. Some
previous perv like me?
