The Story:

Noticed this girl on a couple of websites lately, but haven't seen any reviews, so I thought it's about time I did my share of the pioneering around here. And glad I did. Total babe. Cute smile, pretty face with a button-nose, slim, all-over tan, perfect little titties, a pert behind, and totally shaven. Her English is almost non-existent, but she's a cheeky little thing and gives a very enthusiastic OWO. Doesn't like CIM but fine with a facial, so finished by spurting all over her pretty little face.
