The Premises:

clean tidy, fresh looking decor. rear entrance for added privacy. area not the nicest but found safe parking 100 yard down road

The Lady:

slim but not too skinny, very sexy bum, nice boobs very friendly, fun to be with, fantastic in every way, if i saw her on a night out i would try and chat her up!

The Story:

started off with quick massage just to get to know a little about each other. then over for some lovely kissing, full snogs not pecking. then sliding down my body for some excellent oral action. lots of ball nibbling and licking and fantastic cock sucking. i had to warn the poor love to ease back a bit a couple of times as her sucking around the head nearly brought on an early finish a few times. then my turn to get my tongue working, fully shaven, already very moist as i attacked her open pussy and clitty. lovely and clean and very tastey. on with the rubber for probably less than 10 minutes of superb missionary. lots of full on kissing during, fantastic. will i be seeing kelly again? .. you betcha. though next time for a full hour.
