The Premises:

Nic appartment in Bayswater. Easy(ish) to find and safe.

The Lady:

She appears as in the photos with lush red hair. I think her tits are enhanced but I am always a bad judge at that.

The Story:

Got there a bit late as the tube was still not running. Ushered in the door and into the bedroom. I opted for a quick shower and when I came back to the bedroom found stella in a state of undress, this was a little dissapointing as I always like to watch girls undress but not to mind.

Started off with a good kissing session and onto a good covered (at my request) BJ, her rhythm and use of tounge is good. Onto mish and finnised with doggy. This girl has some great muscle control felt like the was a small pair of hands inside her massaging my dick.

Inot the shower again and out the door. Check of my watch reveals 15mins over time.
