The Story:

My first visit to this establishment on a Friday had been very special [see my previous FR].

I was unexpectedly asked to be in town on this Monday and as I had previously identified Ava as another of their young ladies to visit I could not forego the golden opportunity presented to me, notwithstanding it was so soon after my first visit

I was again warmly welcomed and offered refreshments whilst waiting for Ava, who entered the room shortly afterwards. Tall and slim, with light blonde hair, and very attractive - living up to her photos and with a great personality to match. Immediately made me feel at ease.

I opted for some mild domination, which I prefer, and in which Ava demonstrated her considerable skills, at no time making me feel uncomfortable with anything that took place.

This is not the place for any lurid details ? suffice it to say that I enjoyed a very satisfying visit that totally lived up to my expectations. This was due entirely to Ava?s undoubted expertise in the activities undertaken.

Thoroughly recommended and now added to my list for a repeat visit.
