The Lady:

Very pretty, totally gorgeous, long haired 23 year old. Literally drop dead gorgeous!

The Story:

This girl is simply the best, I am still thinking about and tingling from the date I had with her. I call it a date because that is the way it felt: at no time did I feel as though I was with an escort.

I booked Chrissey for an overnight at my house, she arrived on time and as soon as I opened the door I knew this was going to be a good night. She was absolutely stunning and she has the most gorgeous smile, it took me a while to get over just how gorgeous she is, I just stood there staring at her!!

During our meal I could not take my eyes off her, from her gorgeous long eyelashes to her superb boobs, which I later discovered have very large nipples which are very tender.

She is bright, well read and full of fun and energy, too much for an old man like me, but I did try hard and Chrissey would have been happy to go on much longer!

C is very sexy, very horny, great fun and the perfect GFE. This is the best I have ever had with an escort and I have already booked to see her again. She has the ability to read the client and react accordingly, only the best can do this. This lady is a star in the making and will be very popular.

She may be new to escorting but she certainly is not new to having fun and I cannot remember feeling so good with a woman before, escort or not. She is a must see; you will not be disappointed.
