The Story:

what can I say, after a pretty rough time of it recently I decided to treat myself to something special. After much deliberation I phoned Scorpio of the offchance this girl still worked there (saw her over a year ago) and found out not only was she still there, but she was working that night, fantastic!

On arriving I was met by Tia who asked if I wanted to shower in the changing rooms or go right through, as the changing rooms are bit cramped IMO I chose to go straight to the room.

After a quick shower Tia joined me and gave me an excellent massage which almost had me dropping off to dreamland, but she soon had me turned over and was performing her particularly wonderful brand of oral which is just to my liking, after a while it was on with condom and she got on top, riding me in the cowgirl position, after that she stood up and lent on the bed for me to take her from behind which was something I hadn't tried, we finished off with a big of doggie then a nice kiss and cuddle.

ohh 45 mins is never enough with a girl like this, Tia my dear you are a star and you made a sad man very happy!!
