### The Story:

I haven't written an FR in quite some time. However, after visiting Katie, I felt I had to write for all the wrong reasons.

Started off badly when she argued about the price. I've been here a few times and it has always been ?150 for an hour of VIP. Katie said that she would take the money anyway and speak with the maid. I should have left there and then.

Katie came back and gave me a perfunctory massage - paying absolutely no attention to one's sensitive parts! She then demanded that I give her a massage! I gave her a massage for a while. After 5 minutes or so I decided that she was just trying to waste time. She then proceeded to give me the worst owo I have ever experienced. A few sucks and then it was all hand action.

On with the mac for some sex from behind which was good. After a quick break and another crap massage, Katie seemed to want to rush things. She used some hand cream to get me hard again and then gave me another poor bbbj. She then wanted to know what position I wanted to go for. I asked for more oral. She continued the oral for about a minute or so and then it was all hand action again. So she then got on top for a while - about a minute. She then asked to change positions - so we tried doggy for a while - which was ok. After about 2 minutes she wanted to change position again. So we went for missionary which was crap as she isn't exactly tight. I could feel myself going limp. She then used the hand cream to wank me again and it was clear that this was all she was going to do for the remainder of the session. But after a few minutes her arm got tired and I had to continue!

I made my excuses and left.

I think Katie was a bit miffed that she didn't get enough money out of me. For ?150 it was a complete waste of time and money. Avoid.

I will return to see Sam who I have seen a few times. At least you can talk about the footy with Sam.
